- 1) The name is inscribed in larger letters. If less than five lines are used, the lettering will be increased in size. Please see chart below for guidance on number of letters per line.
- 2) The middle line can accommodate fewer letters because of the fixing holes.
- 3) The inscription will be in relief lettering and will be centred on the panel.
- 4) The inscription must be written clearly in block capitals. We cannot accept responsibility for errors caused by indistinct writing.
- 5) As the inscription is in relief lettering, it is not possible to leave space for any future inscription.
